Online Tax Lien Sales Begin in Park County

Realauction Provides Website for County's Online Auction of Tax Certificates

Fairplay, CO – Park County Treasurer Michelle Miller announced today that the online auction of tax liens in Park County, Colorado will begin at 8:00 am MST, Saturday October 15, 2011. The Park County auction website is www.parktaxsale.com. Bids can be submitted on the website as early as September 20, 2011 and winners will be determined when the auction officially closes on October 15, 2011.

"We believe the online auction will benefit Park County through cost reduction and world wide exposure. Although we have a large turn out for our auctions, many are physically unable to attend. This will allow buyers to bid from the comforts of their home or office regardless of weather and schedules." said Treasurer Michelle Miller. "Due to staff reduction, budget cuts and facility restraints we are looking forward to a cost effective solution for our tax sale."

"The web site is easy to navigate, and the technology helps the county reduce its costs," said Realauction CEO Lloyd McClendon. "Our customer service team is in place to ensure that everyone's questions are answered." Realauction serves eight other Counties in Colorado.

Training for Bidders is available online, and a live training class in Fairplay will also be held on 26 September 2011 at 3pm and 6pm at 501 Main Street, Fairplay CO 80440. Contact Realauction Customer Service at 877-361-7325 to register for online training or the class.

About Park County

Located high in the Rockies in the center of Colorado, Park County offers spectacular scenery, great recreational opportunities, and true mountain heritage. Park County is the 17th most extensive of the 64 counties of the State of Colorado of the United States. The county was named after the large geographic region known as South Park, which was named by early fur traders and trappers in the area. The geographic center of the State of Colorado is located in Park County. The county seat is Fairplay.
